

inControl App Experience

Curated PDF built from approved screenshots

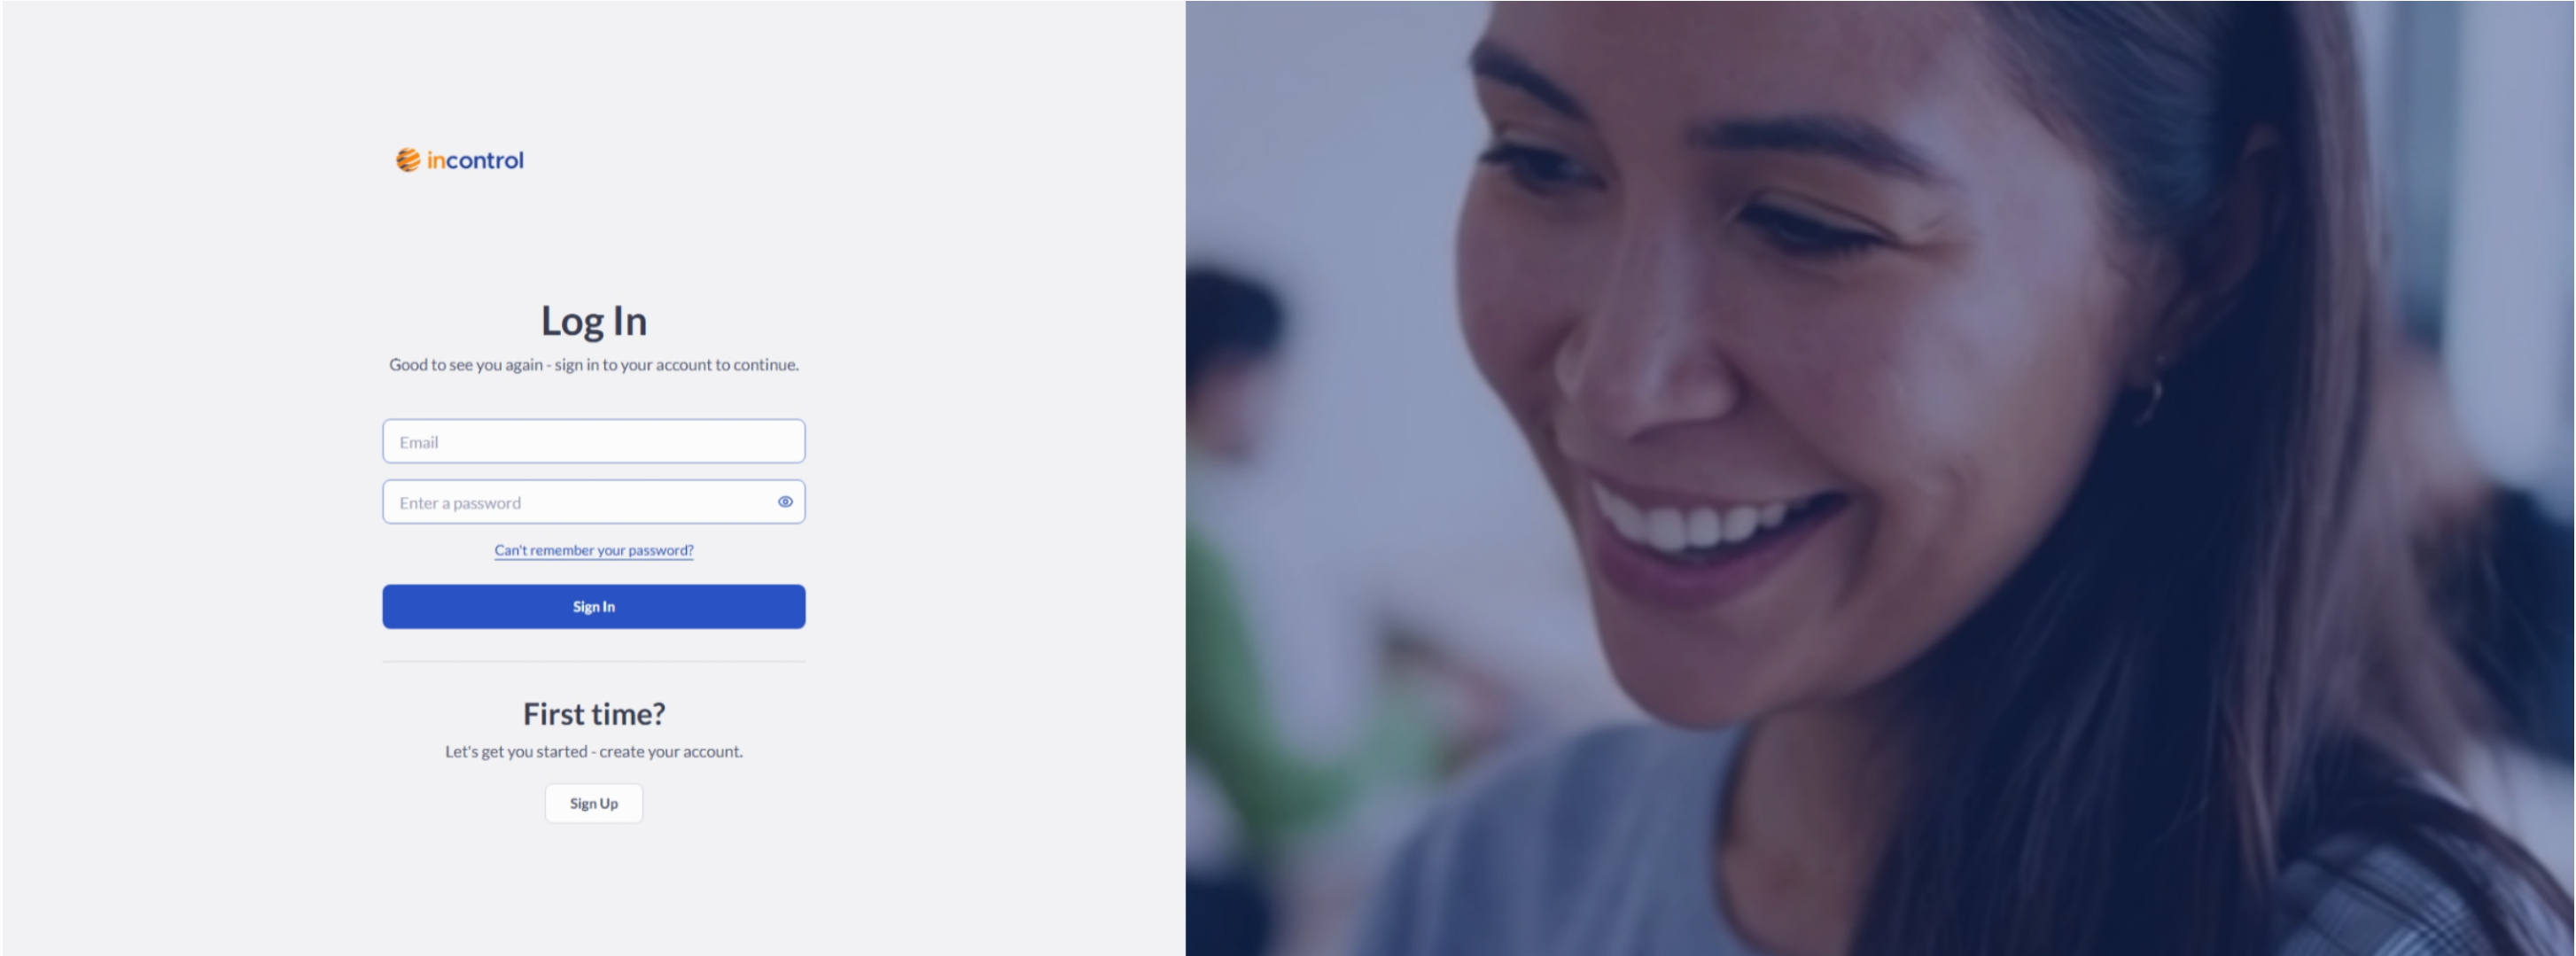

QuickSight embedding strategy

Fee Dashboard embeds QuickSight visuals independently so each section can be composed into a cleaner, more curated in-app experience.

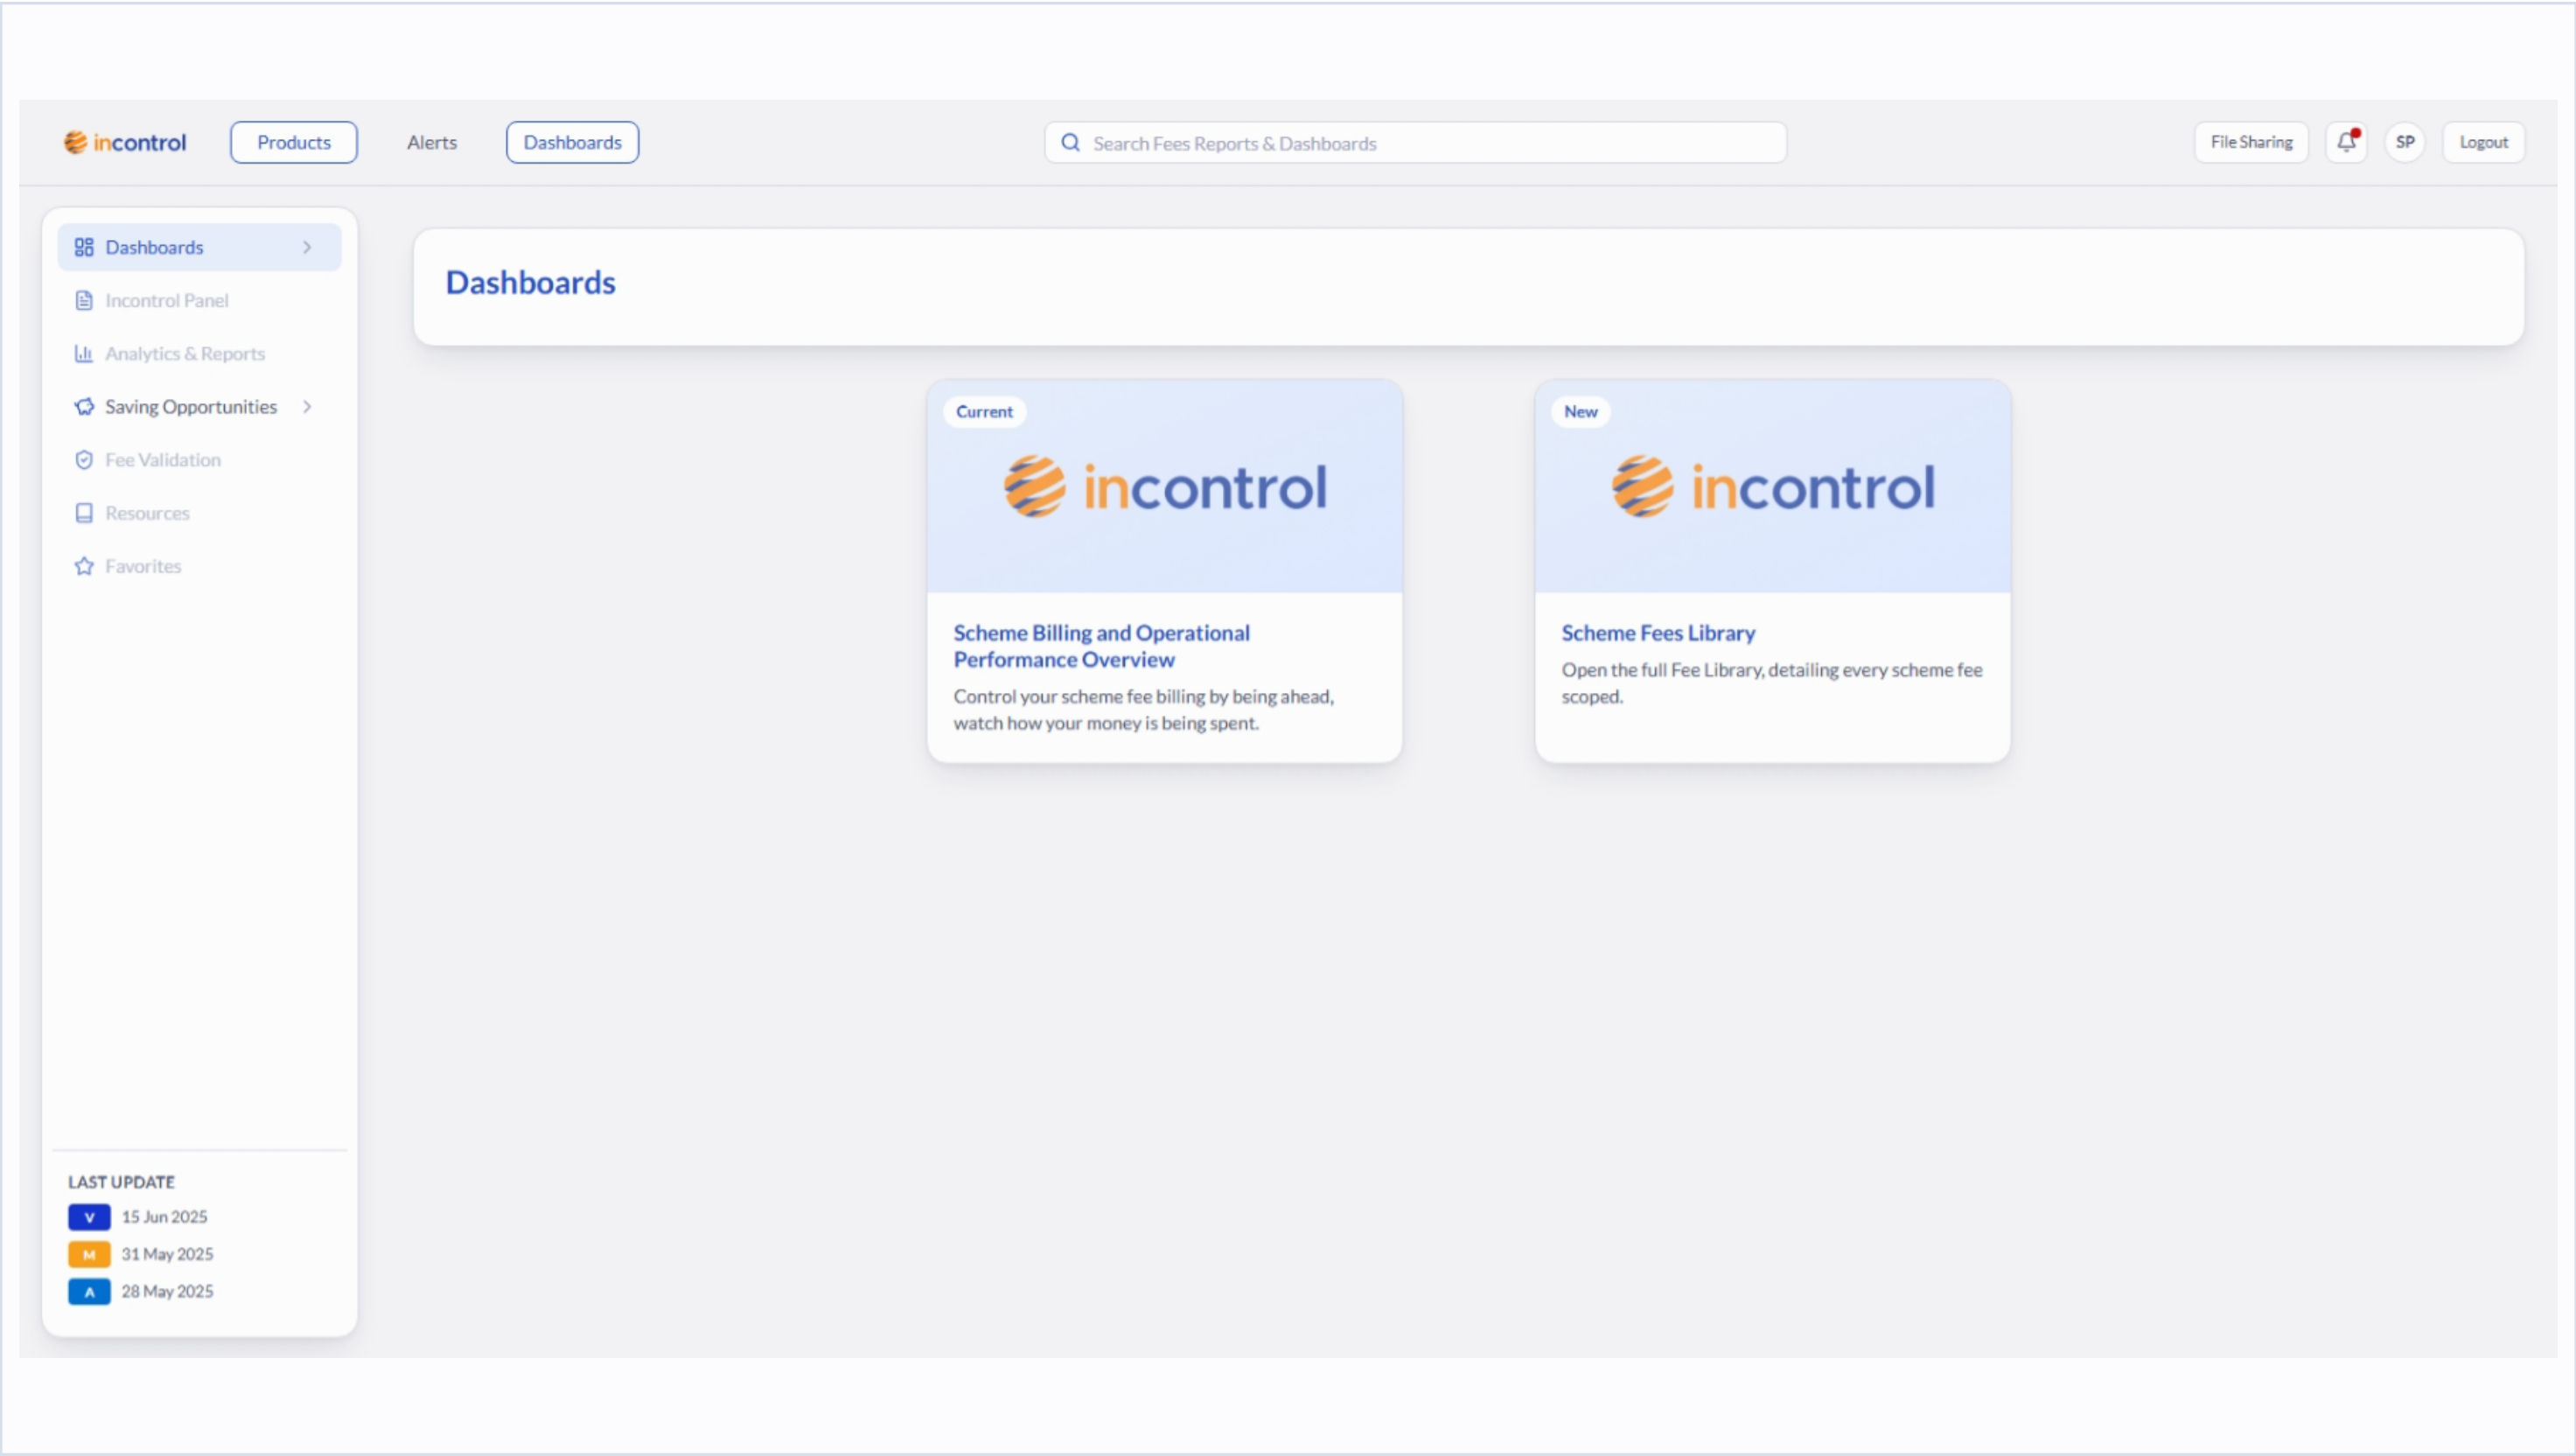

Fee Library embeds the full QuickSight dashboard, making it the better fit for broader dashboard workflows and custom dashboard scenarios.

Pages included

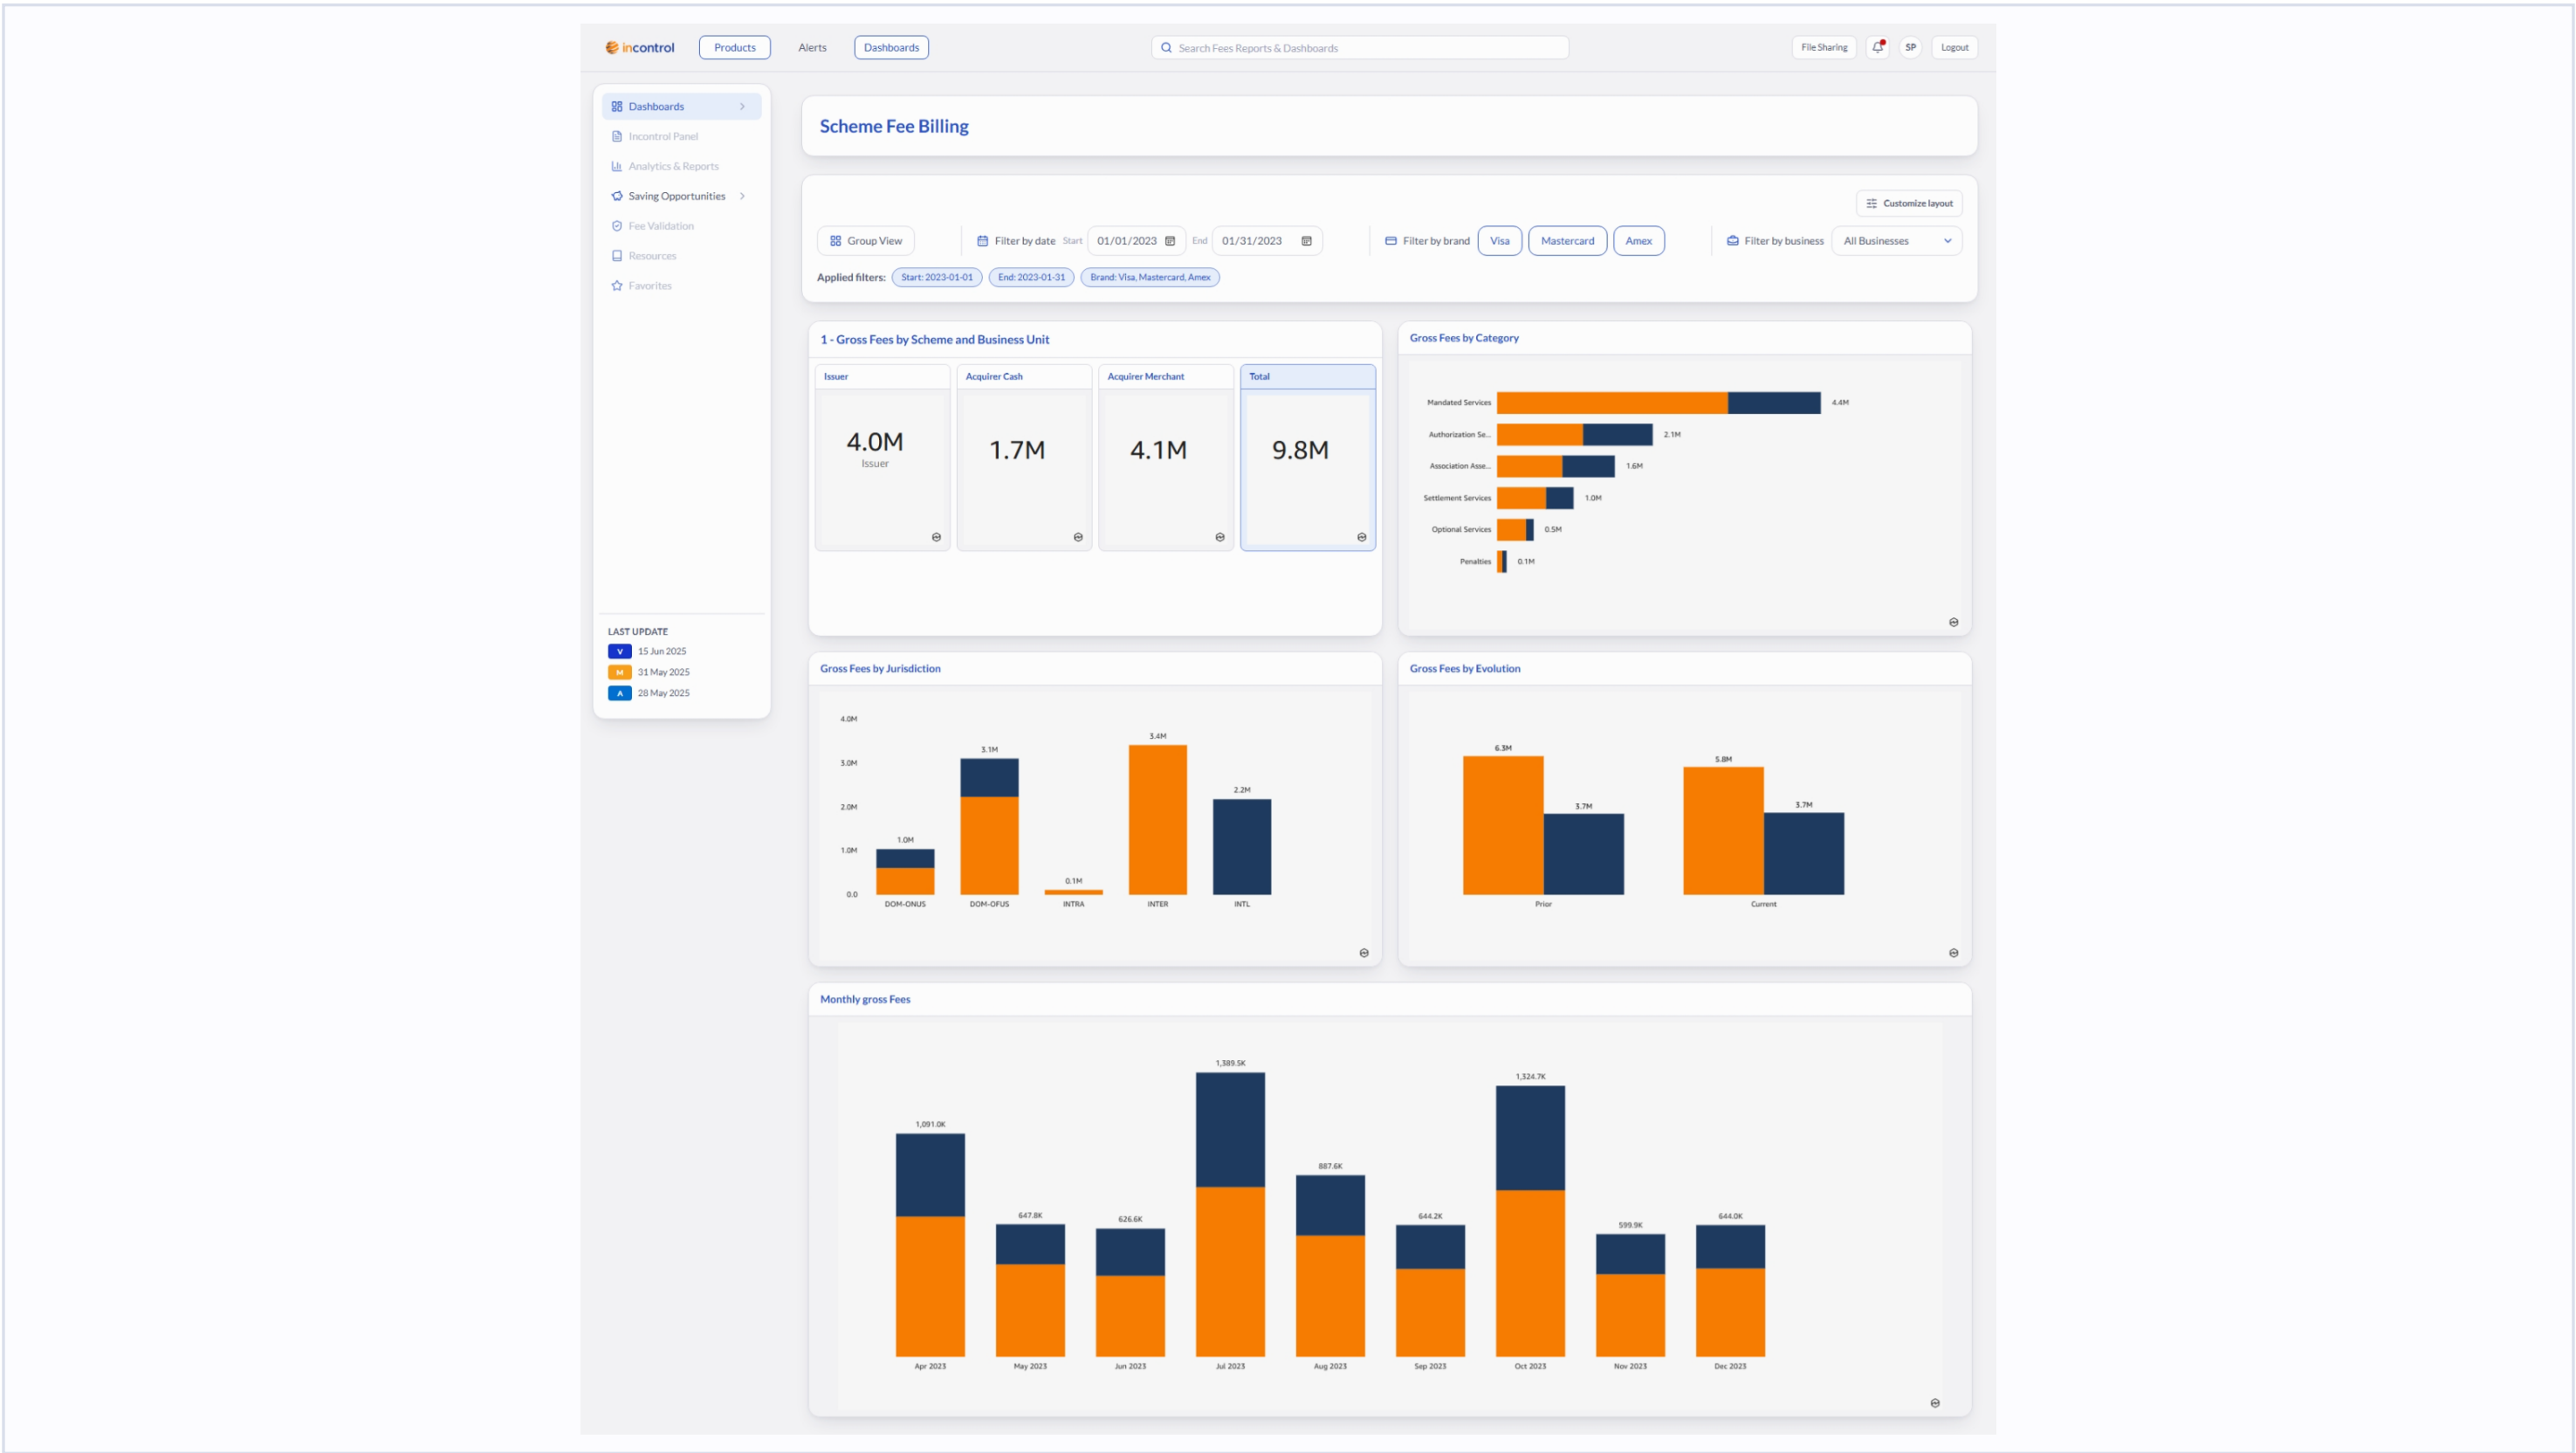

1. Login (/login)
2. Dashboards (/dashboards)
3. Fee Dashboard (/fee-dashboard)
4. Fee Library (/fee-library)

Branded sign-in entry point for the inControl platform.

Landing page where users choose between the Fee Dashboard and Fee Library experiences.

Embeds QuickSight visuals independently so the app can compose a cleaner, more curated experience with a stronger native look and feel.
